

**FOR IMMEDIATE RELEASE:**

**JUNCTION INTERNATIONAL IS SELECTED BY DYMATIZE®,  
TO LOCALIZE CATALOG INTO SEVERAL LANGUAGES**

**West Palm Beach, FL – November 12, 2008** – Junction International, a full-service provider of translation, localization, and cross-cultural communications solutions in over 100 languages, recently completed the translation and typesetting of a product catalog for Dymatize® into the following eight languages: Arabic, Farsi, Belarusian, Russian, Czech, Dutch, Italian, and Spanish.

“We are delighted to have worked on this project and to have helped Dymatize® take their first multilingual steps”, said Claudia Waitman, President & CEO of Junction International. “We are pleased to know that the multilingual catalogs will help Dymatize® reach their international goals faster and in a very professional way”, Waitman added.

“We are very grateful to Junction International for delivering timely and accurate translations for our projects. It is a challenge to meet the legal and technical needs of our international audience while satisfying the linguistic expectations of the many countries receiving these books.” – said Siotha Vest, Dymatize Marketing Director.
